MR. DEPUTY SPEAKER.—Held over Question No. 230 lapses as the concerned member is absent. Now, Short Notice Question.

SHOT NOTICE QUESTION AND ANSWER

Death of a Line-man at Kallur, Gubbi Taluk

25. Sri B. P. GANGADHAR (Tumkur).—

Will the Minister for Home and Municipal Administration be pleased to state :—

(a) whether a person by name Sri Lankappa working as line man at Kallur in Gubbi Taluk, Tumkur District died in suspicious circumstances on 27th February 1968 after he was meddled with the local police ;

(b) whether any enquiry has been made about his death ; and if so, the details of the circumstances in which his death took place ?

A.—Sri R. M. PATIL (Minister for Home and Municipal Administration).—

(a) Sri Lankappa did not die due to meddling by local police.

(b) Investigation disclosed that he committed suicide by hanging.

Sri B. P. GANGADHAR.—Sir, may I know whether on the previous night there was a drama staged at Kallur village where electricity failed. And on the complaint made by the villagers, the Sub-Inspector of Police took this unfortunate person to the Police Station where he was dealt with mortally?

Sri R. M. PATIL.—Sir, in respect of this question, investigation reveals that the deceased was addicted to drinks and on 27th February 1968 he was fully intoxicated and he was talking incoherently. Investigation reveals that the deceased went to C.S. Pura on the night of 26th February 1968 for attending a picture. Current failed in the middle and cinema goers held the deceased responsible for the failure of the current as the deceased appears to have openly announced at Kallur that he would remove the fuse. So, the spectators assaulted him. The Police Sub-Inspector, C.S. Pura on hearing the news rushed to the spot and found the deceased fully intoxicated and behaving in a rude manner using filthy language against the public. The Police Sub-Inspector tactfully removed him from the clutches of the public and tried to restore the electric current to the picture House. He also took action against the accused under section 96 (o) and (q) of the Mysore Prohibition Act. It is not a fact that the Sub-Inspector meddled with him, but saved him from the clutches of the furious mob who wanted to assault him as he purposely removed the fuse of the cinema. Investigation so far made in this connection disclosed that the lineman committed suicide as he was departmentally going to be punished for his misbehaviour in the public place and for having purposely removed the fuse at Kallur village to render the cinema inoperative. Sir, there is a Doctor's certificate; during the course of the *post mortem* the dead body was examined and it was ascertained that the death was due to asphyxia due to hanging.

Sri B. P. GANGADHAR.—May I know whether it is not a fact that at the time he was taken to the police station, there was no injury on his body and in the early morning, he was found with injuries all over the body?

Sri R. M. PATIL.—Sir, I have practically reported what has been submitted to Government. The *post mortem* notes are said to be conclusive proof in respect of the cause of death. In respect of this, it has been held that death was due to asphyxia by hanging.

Sri B. P. GANGADHAR.—Sir, at the time of *post mortem* and also at the time of inquest not even a single relative was allowed to see the dead body—not even his wife or a near relative.

Sri R. M. PATIL.—That aspect has not been brought to my notice. If the Hon'ble Member is anxious about it, I will ask for further report including this information.

Mr. DEPUTY SPEAKER.—Sri M. M. Jalisatgi is permitted to put the Short Notice Question No. 26 in the absence of Smt. Winnifred Fernandez.
